In an interview with the pastors of the "RÍO DE VIDA" church:

"We believe that the door to salvation is always open, and so are the doors of our mission. Our mission is fully dedicated to Jesus, opening our hearts to those in search of the truth," declared pastors Josué Matías and María Ceja of the church, "Rio de Vida."

The pastors also told us: "One of the fundamental purposes is to build a solid family in these difficult times, emphasizing unity for any challenge." We believe that everything begins in the family.

The Rio de Vida church is founded on dedication and love for others in all the opportunities that arise. Through works of charity, we open our doors to serve the community; feeling that we are walking in the footprints and

legacies that Jesus taught us. In our plans is the foundation of a Food Bank assisting agricultural workers in difficult times when there is no agricultural work in the region; visit the sick; legal advice

through Georgia Legal Services, and transportation to medical services if required.

The Cornerstone of our Rio de Vida Church are the Commandments. John 14:21

We invite the entire com-

munity to visit us. For more information, we are in: Adel, Georgia. Pastors: Josue Matías and María Ceja.
